**REPORT ON ACTIVITIES CARRIED OUT BY ANTI-DRUG CLUB
& VOLUNTEER TEAMS**

P.S.R. Engineering College, Sivakasi, organized a series of impactful awareness programs during 2024-2025 academic year, reinforcing its commitment to social responsibility and community welfare through student engagement and expert guidance. The following are the activities organised by volunteers.

1. Awareness Camp on Drug Abuse and Illicit Trafficking

The NSS unit of P.S.R. Engineering College organized a comprehensive Awareness Programme on Social Welfares and Protection for Women, with active participation from 20 enthusiastic NSS volunteers. The event was graced by guests from the Department of Social Welfare and Women's Rights, District Center for Women Empowerment (DHEW), Virudhunagar District, as part of the Mission Shakti Project's 100 Day Special Awareness Camp. The program aimed to shed light on the various government welfare schemes, legal rights, and protective measures available to women, with a strong focus on empowering women in the community. Through informative sessions and interactive discussions, the speakers provided valuable insights into how women can access these resources, protect

their rights, and overcome challenges in society. The event not only educated the participants but also inspired them to advocate for gender equality and women's empowerment within their communities. The involvement of the NSS volunteers played a crucial role in ensuring the smooth execution of the event, as they assisted in organizing the sessions and engaging with the attendees, further emphasizing the commitment of P.S.R. Engineering College to social welfare and community service.
