QUALITY

PSREC provides educational programs that lead to the acquisition of knowledge and skills necessary to achieve career advancement, personal enrichment, leadership, and service to the community. Assessment of Practices, policies, and procedures is done on an ongoing basis to strengthen the overall effectiveness of curriculum, instructional delivery, and operations. We insinuate to promote the Institution towards "Challenging the Competitive World" by developing core values characterized by Skill Reputation, Ingenuity Brilliance, Distinct Prototype and Community Equity.
