

P.S.R. ENGINEERING COLLEGE SIVAKASI-626 140
(An Autonomous Institution, Affiliated to Anna University, Chennai)
SIVAKASI -626 140

DEPARTMENT OF MECHANICAL ENGINEERING

INVITATION

The faculty members and students of Department of Mechanical Engineering cordially invite you for the inauguration of Workshop

“Research advancements in composite materials”

on 4th March 2015
at 11.30 am in mechanical Seminar Hall

CHIEF GUEST

Dr.N.V. Shanmugam, Senior Scientist (Retd.),

CECRI, Karaikudi.

Has kindly consented to be the Chief Guest

In the August Presence of

Thiru. R.Solaisamy,

Managing Trustee, P.S.R Group of Institutions, Sivakasi.

Er.S.Vigneswari Arunkumar,

Trustee & Director,

P.S.R Group of Institutions, Sivakasi.

will preside over the function

Dr. K.R. Viswanathan, M.E., Ph.D.,

Director-Academic Planning, P.S.R. Engineering College, Sivakasi.

will deliver the inaugural address

Dr. B.G. Vishnu ram, M.E., Ph.D.,

Principal, P.S.R. Engineering College, Sivakasi.

Dr. P. Marichamy, M.E., Ph.D.,

Dean (Academic), P.S.R. Engineering College, Sivakasi.

Dr.P. Pitchipoo, M.E., Ph.D

Professor & Head (Mech)

Co-ordinators

Mr.P.Ebenezer Sathish Paul, M.E.,

Mr.K.Ganesan, M.E..

ALL ARE WELCOME

One Day Workshop on Research advancements in composite materials on 04.03.2015

Department of Mechanical Engineering P.S.R. Engineering College, Sivakasi organized a One Day Workshop on **“Research advancements in composite materials on 04.03.2015.”** Thiru R. Solaisamy, Managing Trustee presided over the function. Dr.N.V. Shanmugam, Senior Scientist (Retd.) CECRI, Karaikudi. Students and Staffs attended the Workshop and benefit the research in composite materials. Dr. B.G. Vishnu ram, Principal of the college inaugurated the function. Dr. K.R. Viswanathan, Director, Academics in his keynote address spoke on the importance of how valuable the projects done by students as part of their curriculum are going to be useful during their Composite Materials. Dr. P. Pitchipoo, Professor and Head, Department of Mechanical Engineering addressed the students and Staffs. Mr.K.Ganesan and Mr.P. Ebenezer Sathish Paul, Coordinators along with staff and students of the department successfully organized the Workshop. Certificates were distributed to the student and staff participants.

Co-ordinator

Mr.A.Muthiah, M.E.,

Associate Professor,
Mechanical Engineering Department.

ALL ARE WELCOME

Department of Mechanical Engineering of P.S.R. Engineering College, Sivakasi conducted a 2-day workshop titled **“Autoronics-2016”** on **14th and 15th of July ’16**. Thiru. R. Solaisamy, Correspondent and Managing Trustee of P.S.R. institutions presided over the function. Dr. B.G. Vishnu ram, M.E., Ph.D., Principal of the college inaugurated the workshop and urged the students to actively participate in such workshops for a prosperous career. Dr.K.R.Viswanathan, M.E., Ph.D., Director (Academics) during his presidential address reminded the involvement of electronics in automobile industry and urged the students to develop their knowledge in the field of electronics. The Head of the Department Dr. P. Pitchipoo, M.E., Ph.D., welcomed the gathering. Mr.M. Rajasekaran, Asst manager, Hyundai motors, Chennai gave a live demo of dismantling and assembling of cars, electronic sensors used in the car and their assembly; and design of cars. Participated students from various engineering colleges and P.S.R. Engineering College staffs actively participated in the workshop and gained practical knowledge by assembling various circuits and engines in batches. At the end of the program certificates were distributed to the participants. Mr.A.Muthiah, Associate Professor and Mr.M.Ramar, Assistant Professor of Department of Mechanical Engineering in association with the staff and students of the department made the arrangements for the successful conduct of the program. Mr. M.R. Tamilselvan, Student Secretary proposed the vote of thanks at the end of the workshop. Certificates were distributed to the student and staff participants.

Four day's Value added course on Ansys-CFD on 04-01-2018 to 07-01-2018

Department of Mechanical Engineering of P.S.R. Engineering College, Sivakasi conducted a Four Day's Value added course on **Ansys-CFD on 04-01-2018 to 07-01-2018**. Thiru R. Solaisamy, Managing Trustee presided over the function. Mr.K. Vijayan, Senior CAD Engineer, Practical Technologies, Madurai .Students and Staffs attended the Value added course and got benefited. Dr. K. Subramanian, Principal of the college inaugurated the function. Dr. P. Marichamy, Dean, Academics in his keynote address spoke on the importance of how valuable the projects done by students as part of their curriculum are going to be useful during their employment. Dr. P. Pitchipoo, Professor and Head, Department of Mechanical Engineering addressed the students and staffs. Mr. S. Veera Saravanakumar, Associate Professor and Mr.P. Ebenezer Sathish Paul, Associate Professor, Coordinators along with staff and students of the department successfully organized the Value added course Certificates were distributed to the student and staff participants.

No of Participants attended: 38

Resource Person: Dr. A.I. Charles Dorni, Manager(R&D), Aurea Biolab Pvt Ltd, Cochin.

Venue: MBA Seminar Hall

About the Programme:

Dr. A.I. Charles Dorni, Delivered a lecture on "Head way in blooming biotechnology" at 01.03.17. In this lecture he describes the technical, economic and social trends which drives the development of biotechnology products. Future biotechnology would be developed for familiar uses, such as agricultural crops, but would also likely be developed for uses such as cleaning up contaminated sites with engineered microbes, replacing animal-derived meat with meat cultured from animal cells, and controlling invasive species through gene drives. This lecture also includes the pipeline of biotechnology products likely to emerge over the next decade probably will result in disruptive innovations and significant societal impacts.

No of Participants attended: 12

Resource Person: Mr. K.S. Vasanthakumar, Manager, Sri Karpagavinagar Mushroom Farm, Sivakasi

Venue: MBA Seminar Hall

About The Programme:

Department of Biotechnology organized a one-day seminar on Chemistry of Biomolecules. The key note address is given by the expert from Centre for biotechnology, Anna university. This programme is designed for students to improve their knowledge and interest in biomolecules. Biomolecules plays an important role in all life processes, and these molecules are the fundamental building blocks of all living organisms. To understand the chemistry of biomolecules, the large biomolecules includes proteins, carbohydrates, lipids and nucleic acid as well as small biomolecules such as primary metabolites, secondary metabolites and natural products. About these large biomolecules and small biomolecules were discussed during this programme.

Date: 25.01.2019

No of Participants attended: 32

Resource Person: Dr. Senthil Kumar Durai Kannu Kailasam, Research Associate at Genome Quebec Innovation Center, Canada.

Venue: Admin Seminar Hall

About The Programme: Dr. Senthil Kumar Durai Kannu Kailasam, who is the Research Associate in Genome Quebec Innovation Center from Canada, delivered the speech about Computational Biology. He defined the importance of Computational Biology which is similar to Bioinformatics - the interdisciplinary science using computers to store and process biological data. Early 1970s Computational Biology began to develop algorithms or models to understand biological systems and relationships using the biological data. It has been used to help human genome sequencing, create an accurate model of the human brain, and assist modelling the biological systems.

ABOUT P.S.R. ENGINEERING COLLEGE

Our P.S.R. Engineering College, a philanthropic and an autonomous institution Affiliated to Anna University, Raised by P.S. Ramasamy Educational and charitable trust to promote technical education in rural areas. Established in the year of 1998 and all courses were approved by AICTE and Accredited by NAAC. Our college has received "Best Engineering College Award for Academic Achievement" in South Tamilnadu. Established in a vibrant setting spanning over 50 acres of land with Sivalasi Discipline, hard work, positive thinking and commitment to excellence are the guiding principles that propel the college towards its vision to emerge as a center of excellence in technical education.

ABOUT DEPARTMENT OF BIOTECHNOLOGY:

Our department was formed in the year 2002 to contribute to the fascinating and emerging area of biological sciences. Objective of our department is to provide quality academic courses and conduct research in the interdisciplinary area of Biotechnology. Major area of our department includes the chemical engineering, plant biotechnology, computational biotechnology, infectious disease and proteomics. Our department has initiated efforts to establish advanced research laboratories in all these areas from fundamental research. Our department aims to meet the required demands to cater the requirements of biotechnology based industries.

ABOUT THE SEMINAR

P.S.R. Management and Department of Biotechnology cordially announces the one-day Seminar on 25th Jan 2019. The seminar is aimed to gather the professors, Researchers, Business giants and technocrats

to provide a seminar, discussion of new ideas and discoveries of recent advancements in the field of biotechnology.

REGISTRATION FEE

	Early Registration	Spot Registration
	Rs	Rs
Students (UG/PG)	500	600
Faculty/Scholars	700	800
Industry/Researchers	1000	1100

MODE OF PAYMENT

Payment can be made either by Demand draft or by NEFT. Demand draft should be drawn in favour of "DEPT OF BIOTECHNOLOGY" payable at Sivakasi.

A. BASIC INFORMATION

Type of Event	WORKSHOP
Title of the Event	PCB Design and Testing
Organizing Department	ECE
Date & Time of the Event	5.09.2018 To 6.09.2018
Name of the Coordinator (s)	1. Ms.S.Mahalakshmi,AP/ECE 2. Ms.M.Indhumathi,AP/ECE
Name and address of the Resource persons	Dr.M.Arun Raja, Sofia Infology Madurai,Tamil Nadu
No. of participants(Details to be submitted as separate document)	
(a) Internal	35
(b) External	-

B. A BRIEF REPORT ON THE EVENT BY THE COORDINATOR

Two day workshop on "PCB Design and Testing" has been conducted by the department of ECE on 5th and 6th of September, 2018. Dr.M.Arun Raja from Sofia Infology was the resource person. The program was organized for the students of the Engineering Colleges and Polytechnic Colleges.

The following topics were covered in the technical session:

- Theory and Introduction to Printed Circuit Boards.
- Entire overview of the designing process.
- Getting introduced to PCB CAD.
- Practical Session for developing and designing circuit.

C.PHOTOGRAPHS OF THE EVENTS

Date: 11.12.2018

No of Participants attended: 15

Resource Person: Dr. B.V. Manikandan Prof/EEE

Mepco Schlenk Engineering College, Sivakasi

Venue: EEE Seminar Hall

About The Programme:

The main objective of this session was to get over view flexible ac transmission systems. He specifically addressed the key components of flexible ac transmission systems. He has given a brief explanation on power systems and transmission also given tips on applications of flexible ac transmission systems. Students were taken active participation by listening and also noting down the important points given by the resource person. He advised the students to take part in projects in flexible ac transmission systems. The guest lecture on flexible ac transmission systems imparted need of going higher voltages in transmission systems and their applications in the transmission systems in India. The growth of grid connected power systems in India enabled students to understand grid connections and systems.

Date: 07.08.2018

No of Participants attended: 15

Resource Person: Dr. S. Ramesh Prof & HoD/EEE

PSR Engineering College, Sivakasi

Venue: EEE Seminar Hall

About The Programme:

An Artificial Neural Network (ANN) is an information-processing paradigm that is inspired by the way biological nervous systems, such as the brain, process information. The key element of this paradigm is the novel structure of the information processing system.

It is composed of a large number of highly interconnected processing elements (neurons) working in unison to solve specific problems. ANNs, like people, learn by example.

An ANN is configured for a specific application, such as pattern recognition or data classification, through a learning process. Learning in biological systems involves adjustments to the synaptic connections that exist between the neurons. This is true of ANNs as well.

Historical background

Neural network simulations appear to be a recent development. However, this field was established before the advent of computers, and has survived several eras. Many important advances have been boosted by the use of inexpensive computer emulations. The first artificial neuron was produced in 1943 by the neurophysiologist Warren McCulloch and the logician Walter Pitts.

PSR Engineering College, Sivakasi

Venue: EEE Seminar Hall

About The Programme:

Computer aided simulation is a primary part of science and engineering. Simulation software provides the accurate replicate of all physical effect that exists in the real world. It gives a way in which alternative design or plan can be evaluated without having to experiment with a real system. Before inventions of simulation tools and simulation models, it was very difficult to analyze and investigate the operation of complex electrical systems. The gradual development of digital computer enhances the accuracy and utilities of simulation software's in the area of space, biomedical, electrical, electronics, computer science, mechanical engineering and technology. Currently simulation tools are equipped with realistic portrayal of actual conditions of a system in a real time. This makes simulation results capable of giving a highly reliable forecast. One of such computer aided software is PSIM (Power SIM). PSIM is simulation software specifically designed for power electronics and motor drives. With fast simulation and friendly user interface, PSIM provides a powerful simulation environment for power electronics and motor drives but can be used to simulate any electronic circuit. It has several modules for specific circuit simulation and design. Inexpensive, Easy to realize complex model and better speedy optimization are some added feature of PSIM.

This workshop will serves to be the platform for the academicians/researchers/ industrial persons who were working in the areas of Power Electronics and its applications for pursuing their research works in a resourceful manner

Introduction to PSIM? Overview of power and control circuits components? Circuit Analysis Type o Time-domain simulation o Frequency domain simulation; Ac Sweep o Parameter sweep simulation? Simulation results analysts in SIMVIEW? Graphical User Interface? Model creation using Nonlinear Elements? Applications: o Design of Power Electronics Circuits? Controlled and uncontrolled rectifiers/inverters o Design of Electric Drives? AC/DC Dives

Workshop on "Power Simulation"

S. Ramesh 5/1/18
Dr. S. RAMESH, M.E., Ph.D.,
Professor / HoD
Department of Electrical And
Electronics Engineering
P.S.R. Engineering College,
SIVAKASI-626 140

P.S.R. ENGINEERING COLLEGE
(Autonomous Institution, affiliated to Anna University, Chennai)
Accredited by NAAC and listed under 12(B) of the UGC Act, 1956
Sivakasi – 626140

**DEPARTMENT OF ELECTRICAL AND
ELECTRONICS ENGINEERING**

Cordially invite you for the

Workshop

on

POWER SIMULATION

On 05th January 2018
Venue: EEE Seminar Hall

DR. K. PUNITHA

Prof/EEE Department

PSR Engineering College

Has kindly consented to be the speaker

In the august presence of

Thiru. R. SOLAISAMY

Managing Trustee, P.S.R. Group of Institutions
&

Er. S. VIGNESHWARI ARUNKUMAR

Trustee & Director, P.S.R. Group of Institutions

Dr. K. Ganesan

Principal, P.S.R. Engineering College

Dr. S.RAMESH

Head/EEE

Dr. P. MARICHAMY

Dean, P.S.R. Engineering College

Mr. R. MADAVAN

Co-ordinator/EEE Department

All Are Welcome...

P.S.R. ENGINEERING COLLEGE
(An Autonomous Institution & Affiliated to Anna University, Chennai)
(An ISO 9001:2008 Certified Institution)
SIVAKASI - 626140

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Workshop on
"POWER SIMULATION"
Name List of the Participants

Date: 05.01.2018

S.No	Participant Name	Designation	Signature
1.	Dr.S.Ramesh	Professor & Head	<i>S.Ramesh</i>
2.	Dr.K.Punita	Professor	<i>K.Punita</i>
3.	Dr.E.Sakthivel	Professor	<i>E.Sakthivel</i>
4.	Dr.D.Aruraja	Associate Professor	<i>D.Aruraja</i>
5.	Mr.T.Balasubramanian	Associate Professor	<i>T.Balasubramanian</i>
6.	Mr.S.Sivakumar	Associate Professor	<i>S.Sivakumar</i>
7.	Mrs. S. Krishnaveni	Associate Professor	<i>S. Krishnaveni</i>
8.	Mr.R.Madavan	Assistant Professor	<i>R.Madavan</i>
9.	Mrs.R.Arana	Assistant Professor	<i>R.Arana</i>
10.	Mrs.M.Yamuna	Assistant Professor	<i>M.Yamuna</i>
11.	Mr.S.Ramaraj	Assistant Professor	<i>S.Ramaraj</i>
12.	Mr.P.SarathChandran	Assistant Professor	<i>P.SarathChandran</i>
13.	Ms. B. Mungalyarkkasi	Assistant Professor	<i>B.Mungalyarkkasi</i>
14.	Ms. V Dhivyarubini	Assistant Professor	<i>V.Dhivyarubini</i>
15.	Mr.S.Sivaraman	Assistant Professor	<i>S.Sivaraman</i>

S.Ramesh
HoD/EEE
