# NAAC sponsored National Conference on Innovation in Teaching and Learning process for Higher Education

## ABOUT THE INSTITUTION

P.S.R Engineering College is an Autonomous institution established by P.S. Ramasamy Telugu Minority Educational and Charitable Trust in the year 1999 in the state of Tamilnadu. The institute is sprawled over an area of 27.9 acres of land south of Sivakasi on Sivakasi – Sankarankoil highway which are in the tri-junction of the three districts – namely Virudhunagar, Tirunelveli and Thoothukudi. The college is affiliated to Anna University, Chennai and is granted the status of Autonomous in the academic year 2012-13 by UGC. National Board of Accreditation (NBA) has accredited three UG programmes – CSE, ECE & EEE from the academic year 2016-17 under Tier-I category. The college is accredited by NAAC with Grade B in its 1st cycle. The institute offers academic programs with innovative curriculum, advanced research and societal engagement through outreach activities. The institute has 7 departments and offers 12 academic programmes both at UG and PG level including a MBA programme. The number of students on roll as on date is 2152

## ABOUT NAAC

The NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC) conducts assessment and accreditation of Higher Education Institutions (HEI) such as colleges, universities or other recognised institutions to derive an understanding of the 'Quality Status' of the institution. NAAC evaluates the institutions for its conformance to the standards of quality in terms of its performance related to the educational processes and outcomes, curriculum coverage, teaching-learning processes, faculty, research, infrastructure, learning resources, organisation, governance, financial well being and student services.

# Conduction of Academic Audit

**P.S.R Engineering College, Sivakasi – 626140**  
(An Autonomous Institution, Affiliated to Anna University, Chennai)  
**Minutes of the External Academic Audit Report**

The academic audit was conducted at P.S.R.Engineering College on 19.07.2019 for the academic year 2018 – 19, by the following external expert members.

S. No.	Name of the Members
1	Dr.P.Latha Head of the Department, Department of Electrical and Electronics Engineering, Government College of Engineering, Tirunelveli – 627 007.
2	Dr.R.Ramesh Pandian Associate Professor, Department of Civil Engineering, Anna University Regional Campus, Dindigul - 624 622

The committee was provided with the copies of regulation 2012 & 2016, Curriculum Syllabi of all the autonomous programmes and external audit report of the academic year 2017-2018 for favor of perusal.

After a brief appraisal of the regulations, the team visited the exam cell and office of the Controller of Examinations. The following documents were carefully scrutinized.

1. End Semester Examination process.
2. Regulations 2012 & 2016
3. Syllabus
4. End Semester Questions and Answer Key
5. Answer Booklets and valuation process.
6. Mark entry process.

Based on the scrutiny of the above records followed by an exit meeting with Director, Principal, Dean and COE, the committee furnishes its audit report.

Also the committee visited the departments for academic auditing and samples of the following documents were checked.

- > Course Files.
- > Internal Examination File
- > BOS Meeting File

### Report of External Exam cell Audit – 2018 – 2019:

1. The committee appreciates the formation, function and process of COE office.
2. Academic calendar and time table have been prepared in advance and followed meticulously.
3. Continuous assessment and award of internal marks are done effectively.
4. The committee is fully satisfied with the smooth and orderly functioning of the Office of the Controller of Examinations in the conduct of End Semester Examinations.
5. The standards of question paper and valuation process are appreciable.
6. Random scrutiny of the all records revealed that the entries are proper.
7. The Valuation and Revaluation process were done meticulously and in an unbiased manner.
8. The committee is of the opinion that P.S.R Engineering College, COE Office is exercising the responsibilities of the Autonomous status in a right way.

**ABOUT THE INSTITUTION**

**P.S.R. Engineering College, Sivakasi** was established in the year 1999 by P.S.Ramasamy Telugu Minority Educational and Charitable Trust with an objective of imparting quality technical education to the rural students of Southern Tamil Nadu. The College was conferred with autonomous status in the year 2012 and it is accredited by National Assessment and Accreditation Council (NAAC) and National Board of Accreditation (NBA).

The College is located in a sprawling area of about 80 acres of land on Sivakasi – Sankarankovil state highway and 28 km from Kovilpatti and about 25 km from Sivakasi.

The College offers 6 U.G. Programmes viz., Computer Science and Engineering, Civil Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Mechanical Engineering and Bio-Technology and 6 P.G. Programmes viz., M.E. Computer Science and Engineering, Structural Engineering, Applied Electronics, Power Electronics and Drives, and Engineering Design and Master of Business Administration (MBA). The College has excellent infrastructure and well equipped

laboratories to provide quality technical education.

**ABOUT NITTTR, CHENNAI**

The National Institute of Technical Teachers Training Research (NITTTR), Chennai was established as an autonomous Institute by the Ministry of Human Resource Development, Government of India in the year 1964 to improve the quality of technical and vocational education and training (TVET) system in India and in southern region in particular. It is also fosters research in the inter-disciplinary area of engineering education and offers consultancy and extension services for the total development of Engineering Colleges.

**OBJECTIVES**

- To develop strategies for strengthening the knowledge.
- To bring scholars, researchers, educators, students, professionals and other groups interested in education to present their works in sustainable development.
