ABOUT THE INSTITUTION
P.S.R. Engineering College, Sivakasi was established in the year 1999 by P.S.Ramasamy Telugu Minority Educational and Charitable Trust with an objective of imparting quality technical education to the rural students of Southern Tamil Nadu. The College was conferred with autonomous status in the year 2012 and it is accredited by National Assessment and Accreditation Council (NAAC) and National Board of Accreditation (NBA).

The College is located in a sprawling area of about 80 acres of land on Sivakasi – Sankarankovil state highway and 28 km from Kovilpatti and about 25 km from Sivakasi. The College offers 6 U.G. Programmes viz., Computer Science and Engineering, Civil Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Mechanical Engineering and Bio-Technology and 6 P.G. Programmes viz., M.E. Computer Science and Engineering, Structural Engineering, Applied Electronics, Power Electronics and Drives, and Engineering Design and Master of Business Administration (MBA). The College has excellent infrastructure and well equipped

laboratories to provide quality technical education.

ABOUT NITTR, CHENNAI
The National Institute of Technical Teachers Training Research (NITTR), Chennai was established as an autonomous Institute by the Ministry of Human Resource Development, Government of India in the year 1964 to improve the quality of technical and vocational education and training (TVET) system in India and in southern region in particular. It is also fosters research in the inter-disciplinary area of engineering education and offers consultancy and extension services for the total development of Engineering Colleges.

OBJECTIVES

- To develop strategies for strengthening the knowledge.
- To bring scholars, researchers, educators, students, professionals and other groups interested in education to present their works in sustainable development.
