About NCC

The NCC in India was formed with the National Cadet Corps Act of 1948. It was raised on 15th July 1948. The National Cadet Corps can be considered as a successor of the University

Officers Training Corps (UOTC) which was established by the British in 1942. During World War II, the UOTC never came up to the expectations set by the British. This led to the idea that some better schemes should be formed, which could train more young men in a better way, even during peace times. A committee headed by Pandit H.N. Kunzru recommended a cadet organization to be established in schools and colleges at a national level. The National Cadet Corps Act was accepted by the Governor General and on 15th July 1948 the National Cadet Corps came into existence.

During the 1965 and 1971 wars with Pakistan, NCC cadets were the second line of defence. They organised camps to assist the ordinance factories, supplying arms and ammunition to the front, and also were used as patrol parties to capture the enemy paratroopers. The NCC cadets also worked hand in hand with the Civil Defence authorities and actively took part in rescue work and traffic control. After the 1965 and 1971 Indo-Pak wars the NCC syllabus was revised. Rather than just being the second line of defence, NCC syllabus laid a greater stress on developing qualities of leadership and Officer-like qualities. The military training which the NCC cadets received was reduced and greater importance was given to other areas like social service and youth-management.

Aims of NCC

- To Create a Human Resource of Organized, trained and Motivated Youth.
- To Provide Leadership in all Walks of life and be Always Available for the Service of the Nation.
- To Provide a Suitable Environment to Motivate the Youth to Take Up a Career in the Armed Forces.
- To Develop Character, Comradeship, Discipline, Leadership, Secular Outlook, Spirit of Adventure and Ideals of Selfless Service amongst the Youth of the Country

Motto of NCC

The need for having motto for the Corps was discussed in the 11th Central Advisory Committee (CAC) meeting held on 11th Aug 1978. The mottos suggested were "Duty and

Discipline"; "Duty, Unity and Discipline"; "Duty and Unity"; "Unity and Discipline". The final decision for selection of "Unity and Discipline" as motto for the NCC was taken in the 12th CAC meeting held on 12th Oct 1980.
