ALUMNI CORNER

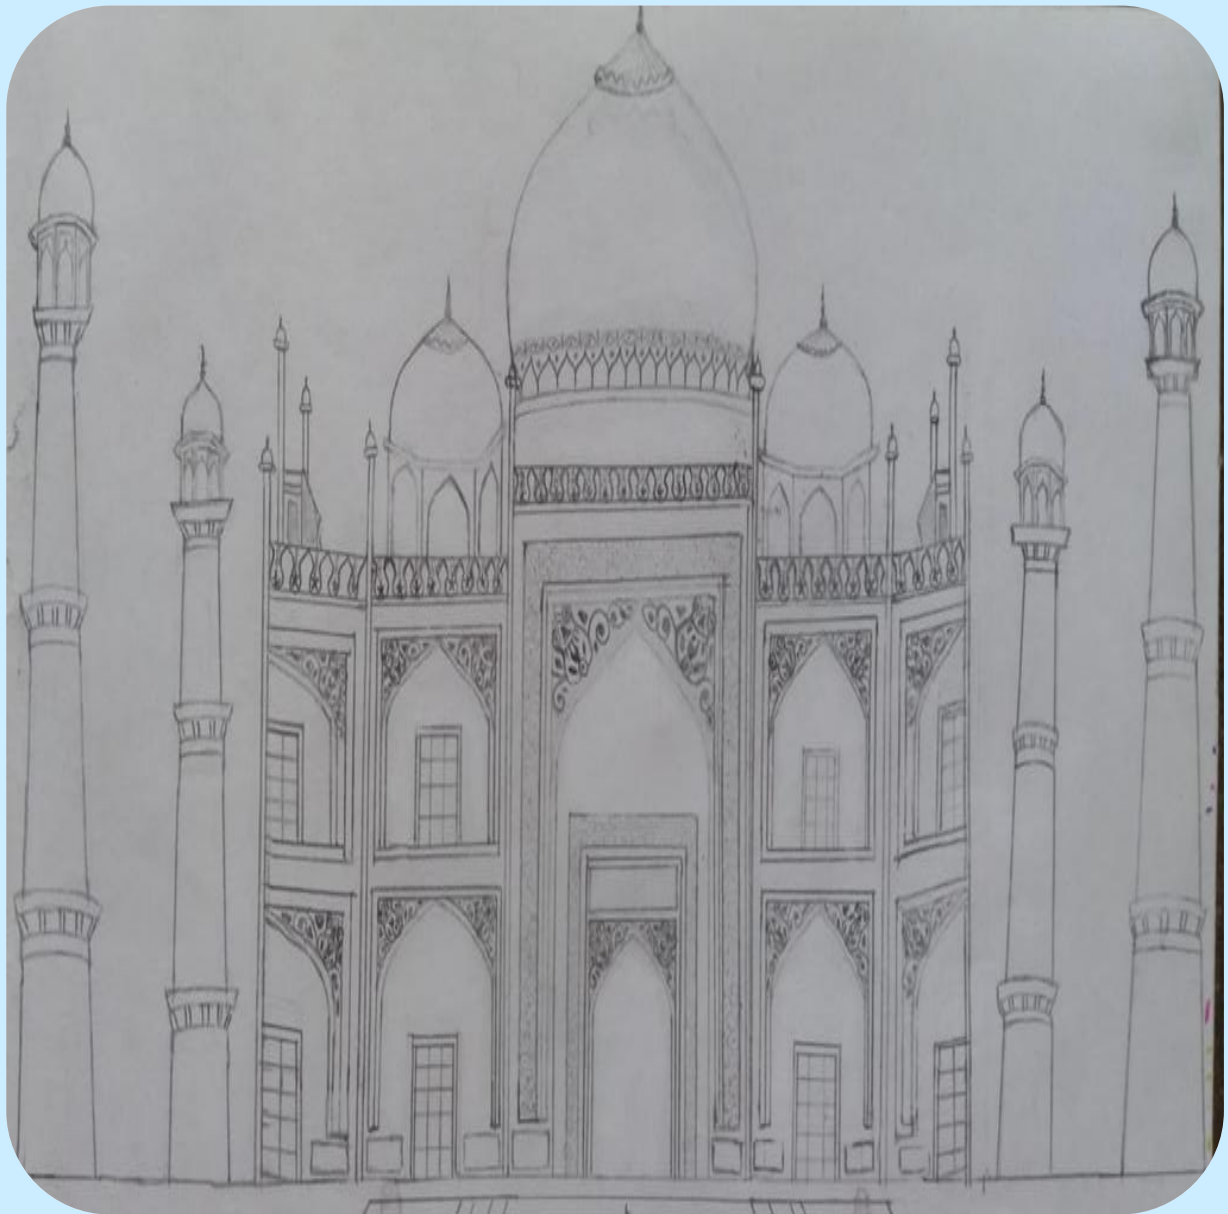

I am very thankful to PSR Engineering College for providing me with the guidelines and opportunity to achieve my dream job. You are never too old to set another goal when you have a learner-centric environment with your faculty. I feel great learning at PSR Engineering College, as well as support from all facilities and placement officers.

I, Venkateshwaran was a student of P.S.R Engineering College 2019-2023 Computer Science Engineering Batch. A good institution is only as good as the blend of faculties and students. It was the most amazing 4 years of my life yet. This college lives up to everything it offers. The college has a well advanced infrastructure with computer lab, a well stocked library and sports facilities it also has a well managed, clean, sanitary, spacious canteen. Teachers are nice, supportive and friendly. I would like to thank all the faculties of Computer Science Engineering Department for their sincere efforts of bringing out the best of us and for all the motivation and encouragement they always have given us!
