Zillion Maneuvers'23 - Website Design Contest

Department of Computer Science and Engineering of P.S.R Engineering College announces an Intra-College **website design competition on 05.10.2023** and invites all the Students to demonstrate their best creative website designs. Submissions are expected to consist of design for the CSE and AI&DS department websites. The websites should possess an aesthetic look and feel with good color combination, background, structure and layout. The interface is expected to be modern and user friendly with easy to navigate features and easy to use functions.

Submission Requirements: This contest is primarily open to the students of P.S.R Engineering College. Group submissions are allowed, from groups with a maximum of 3 members. Interested students should register their names at through this link https://forms.gle/CNGkrNrWsX1xyja26 on or before 15.10.2023

Instructions and Guidelines: Points to keep in mind for the website design are as follows.

1. The design must be suitable to accommodate the content on the institute's current website https://psr.edu.in/computer-science-and-engineering/

2. The department website prototype should have the following essential features.
   - Department homepage with About, Faculty, Infrastructure, gallery, events, awards, news blocks, Placements and separate menus.

   - Structured faculty profiles with fields like, publications, awards, research area etc.

   - The provision for selected content like recent publications, events and awards to be aggregated, sorted by date and displayed on the department homepage.

* Registration Fee: 100 per student.

Prizes: The winning entries will be felicitated as below.

- One first prize ,Up to two second prizes:
- Each winning design will also receive a certificate.

Participants should submit their design as softcopy on or before 03.10.2023

The decision of PSREC on the results of the competition would be final and binding. PSREC will have complete rights to all prizes winning material.
